Richard Landry
Owner and Principal, Landry Design Group

I am delighted to extend my appreciation in recognition of your extraordinary career.

For the past twenty years, you have led a world-class architectural firm that has created some of California's finest homes. Your designs have blended your clients' homes with their surroundings, demonstrating your commitment to retaining our natural beauty. This concern for the environment is gratifying to me and it is an excellent example to which all architects can aspire.

The unique fusion of historical precedents and modern functionality that you have brought to each home has earned you a prestigious client list and numerous awards and acknowledgements. I am proud that your company is based in California and I applaud your designation as one of the top 100 architects and designers in the world as listed by *Architectural Digest Magazine*.

Please accept my best wishes for every continued success.

Sincerely,
